EMMAUS – GROWING IN PRAYER - 2011

We are planning four evenings in February to share together experiences of prayer, both the joys and struggles, and to honour and learn from one another.

Outline of sessions:

Session one -Our Father in heaven.

Recognising that we all need to learn to pray, to explore the concept of prayer as relationship and to think about adoration.

Session two-Your kingdom come.

Prayer as collaboration with God- thinking about intercession in the context of discerning the will of God and praying in the power of the Holy Spirit.

Session Three-Give us this day.

Praying for ourselves- practical provision, forgiveness and protection.

Session four-Yours is the kingdom, the power and the glory.

Developing patterns of prayer appropriate to our personalities and spiritual journey.

These sessions are open to ALL and are designed to encourage people to explore a variety of ways of praying. How many groups and when depends upon your response.

The first Emmaus evenings in the autumn were much appreciated and we hope that GROWING IN PRAYER will be similarly worthwhile.
