MISSION FOR THE MONTH – May

Christian Aid Mission

Christian Aid week starts today 15th May and we shall be focusing on this charity throughout the month, using both display boards. This Faith based agency operates on a basis of need, irrespective of religion, ethnicity, caste, gender or nationality. It tackles the causes of poverty through integrated development and humanitarian programming, policy and advocacy work including looking at the roots of the problems.

On the Display Boards we shall be focusing on Christian Aid both HOME and ABROAD

Jill Chapman

Ukraine Mission

Russia invaded Ukraine on February 23rd. This invasion brought fear, uncertainty, displacement and suffering to innocent people. Christian Aid and many other charities with funds raised are providing emergency assistance, food, Christian literature and other help for displaced Ukrainians affected by this war.

Mission Donations, Spring 2022

In the light of a public appeal by the Epsom & Ewell Refugee Network for financial support at this turbulent time, the Mission Committee has donated £500 to support the new families from the Ukraine arriving hard on the heels of refugees from Afghanistan. I'm sure we would all want to make them as welcome in our borough as possible.

We have also donated £500 to the Leprosy Mission, a charity which we have supported over many years. It is very satisfying to know that our donation at this particular time will be doubled by a generous supporter.

Christian Aid Week 2022, 16th – 22nd May

Our short sequence of Sundays focussed on Mission culminates in Christian Aid Week. This is a charity all churches in Epsom have supported for some time because of its indiscriminating response to hardship, loss and despair around the world.

The annual appeal is of enormous importance to Christian Aid, badly hit by the drop in income during the pandemic. Can we please try to respond, as we have in the past, with a generous donation? For example, according to Christian Aid:

£80 could teach 180 farmers how to plant drought-tolerant crops that can survive drought.

£335 could pay for a communal water point with two taps, situated at an earth dam, where people can collect water.

£545 could pay for a skilled labourer to work on the construction of an earth or sand dam.

It would be very good to think that St Martin's had enabled at least one of these projects. Please donate, either digitally via the Christian Aid QR code in this newsletter, or by returning cash in a Christian Aid envelope, or by sending a cheque to the Parish Office made out to St Martin's PCC, Epsom, clearly marking it for "Christian Aid". As ever, thank you in advance.

Concerning Marriage – Please see the paper from Howard Bluett sent with this weekly mailing. This is a discussion of a proposal he wishes to put to the PCC asking that the marriage service be made available to same sex couples. Please respond to Howard howard.bluett@gmail.com if you wish to express a view. He would be grateful to receive your comments before the meeting on 8th June. Printed copies are available from him or from the office if needed.

Tuesdays in Church

I continue to be available for Morning Prayer, 9.00 am – 9.30 am, after which I shall be in the church if you wish to discuss anything of a pastoral nature. On the *first Tuesday* of every month I shall be available only until 11.00 am. The other Tuesdays are unchanged and I shall be in the church until 12.00 noon. **Mary Gilbert**

Church Garden Lawn Treatment

The inner area of the church garden has had a professional lawn treatment. This is needed because although the garden's increased use during CV may have benefitted many, it has worn out the lawn during the Winter of Discontent. In order for the treatment work, may I ask that for the next month visitors enter the garden through the side entrance – by the benches. If there is a need to walk or stand on the lawn around the crescent bed, please tread on the edges of the lawned path and give the treatment a chance. **Jean Wright**

FROM THE VICAR

Dear Friends,

We progress through Easter! In today's reading from the book of Revelation, we read St John's vision of the life to come. It's poetic, and moving, especially the part where it says, 'God will wipe every tear from their eyes.'

With so much bad news all around us, and the human suffering we witness abroad, and at home, much of it inflicted by our fellow humanity, there are indeed many tears shed in this life. It is, I pray, a comfort in present troubles and a source of hope for the future that one day we shall return to our heavenly Father, where He will wipe our tears away.

Nick
