## WEEKLY NEWSLETTER

**SUNDAY June 19<sup>th</sup> 2022 - 1<sup>st</sup> Sunday after Trinity**

### THE VICAR WRITES ....

Dear Friends,

We had a fantastic day at our summer fair last week. As well as raising Church funds, it was great to see people working together as a team and enjoying each other's company.

Then on Sunday evening a lot of people came to our Trinity Sunday evensong to mark Adrian's 60<sup>th</sup> anniversary of priesting.

I pray that the spirit of friendship, teamwork and working together for a cause will carry on in our life of Mission, worship and fellowship.

## **PARISH SUMMER FAYRE 11th JUNE 2022**

We had the goods, the bunting, the stalls and the WEATHER! More than all that, we had the people, the fun and the success! An enormous thank-you to everyone who helped to make it such an enjoyable afternoon, too many to name but it was wonderful that so many of you contributed in numerous ways. It was our 1st big event for 2 1/2 years. A few more visitors would have been good but it was our 1st attempt. I looked back, and the last Summer Fayre we held was for the Queen's Diamond Jubilee! The final total raised was cash £1225.77, less expenses of £262.95 = £962.82, plus card payments £56, so we just cleared £1000!

Well done everybody! ***The Events Team - Mary, Cathy, Nancy and Alyson***

## **JULY SERMON AND STUDY SERIES**

We are exploring the spiritual journey from sin to redemption in a 10am sermon series and a Thursday evening bible study group at the Vicarage. Full details in the leaflet distributed with this newsletter – printed copies in Church. Please support and follow this special programme designed to help us all reflect on how doctrine relates to our lived experience.

**Ollie Madgwick**

*‘A climate of increasing concern’*

Climate change is an increasingly prominent issue in political and public debates. This talk will summarise the evidence for and projected impacts of climate change, and open a discussion how we as individuals, a Christian community and members of wider society might choose to respond.

Ollie studied his undergraduate degree in Geography, specialising in climatology, biogeography, and climate change impacts. His dissertation on the climate of the Western Sahara contributed to a project to better incorporate atmospheric dust into climate models, and he is now a Fellow of the Royal Geographical Society.

### **Cakes and bakes!**

A big thank you to all the fantastic bakers for their delicious cakes for the stall at the summer fayre. Also big thanks to all the fabulous helpers for making the cake stall such a huge success.

## 60<sup>th</sup> Anniversary Celebrations

Last Sunday we helped Adrian celebrate a remarkable milestone in his ministry. His 60<sup>th</sup> anniversary of being ordained priest was marked with a service of Choral Evensong at which Bishop Christopher Herbert preached. It was followed by cake and bubbly. We were privileged to be joined by many visitors whose encounters with Adrian across the years had drawn them to St Martin's for the occasion. Among them were some from his first parish in

Hackbridge.

## Thank You !

A very warm 'thank you' to all who helped in any way with the service of Choral Evensong on Trinity Sunday, a service which in addition celebrated the 60<sup>th</sup> anniversary of my Ordination to the Priesthood in Southwark Cathedral in 1962.

At that time the Queen had been on the throne for just 10 years, Harold Macmillan was the Prime Minister and life was very different. But so also was the life of the Church. As I recall it, there were 30 of us ordained Priest, and 30 made Deacon, all male, of course, and all full-time. All services were from the Prayer Book using the old words – I could write a book about these changes. I sense a 'Second Thoughts' coming on !

It was a wonderful service. Thank you to all who took part in any way. A wonderful thanksgiving for the evening of Trinity Sunday, and a lovely occasion for us on this anniversary.

## **MISSION FOR THE MONTH – June**

### **Mercy Ships**

Please do have a look at the June posters for Mercy Ships on the Church noticeboard at the back of St Martin's Church. We hope to have some new stories of interest. The parish has been giving ongoing sponsorship

support for several years. Mercy Ships usually have vacancies for short term work in various skills and they are endeavouring to staff 2 ships as the new ship comes into service. ***Peter White***

## Home mission

Church Mission Society believes that all of God's people are called to God's mission. St Martin's support our UK based Mission Link Partner, Andrea Campanale, who is part of a network of pioneers helping to renew the church working with spiritual people rather than religious. CMS want to help communities of Christians to act like Jesus with one another and with their neighbours.
