## **WEEKLY NEWSLETTER**

**SUNDAY 3<sup>rd</sup> July 2022 - 3<sup>rd</sup> Sunday after Trinity**

### **NEW JOURNEYS....**

Summer, with long hours of daylight, is the best time to embark on a journey. So it is fitting that today we celebrate the start of three journeys. First, we celebrate with Ayla, and her family and friends, as she is baptised into our church family at St Martin's, and takes the first steps on her Christian journey. Second, we celebrate, together with our whole Diocese, the new deacons being ordained at our Cathedral in Guildford, as they take their first steps as ordained ministers in the Church of England. Third, we celebrate the start of our new Sermon series, 'The Journey to Redemption'. The series, together with the study group (7.30 pm at the Vicarage on the next five Thursdays), will help us to reflect on our journey from sin to redemption, from conviction to transformation, both as individuals and together as a Church.

**Second Thoughts – Sunday 10<sup>th</sup> July at 6.30pm**  
**Ollie Madgwick**

*‘A climate of increasing concern’*

Climate change is an increasingly prominent issue in political and public debates. This talk will summarise the evidence for and projected impacts of climate change, and open a discussion how we as individuals, a Christian community and members of wider society might choose to respond. Refreshments will be served as usual from 6pm.

Ollie studied his undergraduate degree in Geography, specialising in climatology, biogeography, and climate change impacts. His dissertation on the climate of the Western Sahara contributed to a project to better incorporate atmospheric dust

into climate models, and he is now a Fellow of the Royal Geographical Society.

## RECYCLING – EMPTY MEDICATION PACKETS

Finally, I have got round to finding out how and where to take medication blister packs (other than Epsom Methodist Church), so please bring your empty packets and put them in the box at the back of church. The box is covered in silver coloured paper with coloured dots on, so should look a bit like a packet of medicine, if you use your imagination! The Council doesn't recycle these, but an organisation called TerraCycle does.

Thanks.

## Eco Fair – Saturday 24<sup>th</sup> September

## MISSION FOR THE MONTH – June

### Mercy Ships

Please do have a look at the June posters for Mercy Ships on the Church noticeboard at the back of St Martin's Church.

We hope to have some new stories of interest.

The parish has been giving ongoing sponsorship

support for several years. Mercy Ships usually have vacancies for short term work in various skills and they are endeavouring to staff 2 ships as the new ship comes into service. *Peter White*

## Home mission

Church Mission Society believes that all of God's people are called to God's mission. St Martin's support our UK based Mission Link Partner, Andrea Campanale, who is part of a network of pioneers helping to

renew the church working with spiritual people rather than religious. CMS want to help communities of Christians to act like Jesus with one another and with their neighbours.

***Meg Topley***

## Abroad Mission

The main ministry of the Barnabus Fund is to send financial support to projects which help Christians where they suffer discrimination, oppression and persecution as a consequence of their faith.

St Martins give funds to Tigray/ Ethiopia War relief and Afghan Christian Refugees.
